

# Scripture Searcher

July 2020 Preview

Youth

Recommended for ages 8 - 16

How do you spend your time? Are you busy with a long list of responsibilities and things to do - like Martha, who was “cumbered about much serving”? Do you actively set aside time to spend with the Lord and over His things - like Mary, who had “chosen that good part”? Perhaps you're more like the people of Athens, who “spent their time in nothing else, but either to tell, or to hear some new thing”? The decisions we make about how we spend our time, and about which things we consider to be so essential that we will make time for them no matter what, will have lasting impacts on our spiritual health and growth.

Let us each ensure we have made time in our lives for the Lord and for His things. May we never be so caught up in earthly responsibilities and distractions that we squander the precious time that has been entrusted to us.

## Instructions

Start reading at the very beginning of the book of Psalms. When you find the short phrase for each day, write down the chapter and verse in the blanks provided. The next day, continue reading from where you stopped the day before.

The distance you read to find each entry will vary. On average, it'll be about 43 verses per day, but it may occasionally be as short as 20, or as long as 68 verses.

When you reach the end of a book, check the next day to see which book you should start reading next. You'll jump back and forth between the Old and New Testaments, and between history, prophecy, and instruction. By the time you finish the entire booklet, you'll have read through over half of the Bible... 15,556 verses in all.

This page is just a preview of the first month. Don't forget to ask us to send you the complete booklet so you can continue with the rest of the year. See the bottom of this page for information on how to contact us.

## Important

All verses quoted are from the King James Version (KJV) of the Bible.

Do **not** use a concordance, computer, or anything else to help you find the verses.

Do **not** copy your answers from anyone else.

The purpose of the Scripture Searcher booklet is to help you establish (or maintain) the habit of reading God's word every day. By quickly looking up the phrases in a concordance or computer, or by copying from someone else, you may cheat your way to a prize, but you'll also cheat yourself out of the benefits to your own soul.

**Don't forget to request a complete booklet.**

We'll be happy to send you a booklet for the entire year at no charge.
