

Scripture Searcher

July 2023 Preview

Youth

Recommended for ages 8 - 16

When Caleb and Joshua returned from scouting out the land of Canaan, they spoke words of encouragement, reminding the people of the Lord's power and calling them to obey the Lord and to trust Him for deliverance from the people of the land: "The Lord is with us: fear them not." The other spies had a different message, though – they brought an evil report and spoke words of fear and defeat, warning the people that Canaan was "a land that eateth up the inhabitants thereof." What a contrast between what these two groups of men were saying – and what heartache and wanderings could have been avoided if the people had just listened to the words of Caleb and Joshua.

The Scripture Searchers are intended to help you establish a habit of setting aside time to spend with our Lord every day. May we each be found making this time in our lives for the Lord and for His word, and may we each be used of Him to faithfully encourage and exercise those around us.

July 2023

This Page Belongs To:

Start reading at the beginning of Exodus.

Instructions

Start reading at the beginning of the book of Exodus. When you find the short phrase for each day, write down the chapter and verse in the blanks provided. The next day, continue reading from where you stopped the day before.

The distance you read to find each entry will vary. On average, it'll be about 43 verses per day, but it may occasionally be as short as 20, or as long as 68 verses.

When you reach the end of a book, check the next day to see which book you should start reading next. You'll jump back and forth between the Old and New Testaments, and between history, prophecy, and instruction. By the time you finish the entire booklet, you'll have read through over half of the Bible... 15,621 verses in all.

This page is just a preview of the first month. Don't forget to ask us to send you the complete booklet so you can continue with the rest of the year. See the bottom of this page for information on how to contact us.

Important

All verses quoted are from the King James Version (KJV) of the Bible.

Do **not** use a concordance, computer, or anything else to help you find the verses.

Do **not** copy your answers from anyone else.

The purpose of the Scripture Searcher booklet is to help you establish (or maintain) the habit of reading God's word every day. By quickly looking up the phrases in a concordance or computer, or by copying from someone else, you may cheat your way to a prize – but you'll also cheat yourself out of the benefits to your own soul.
