

Scripture Searcher

July 2026 Preview

Youth

Recommended for ages 8 - 16

The Word of God is full of stories about people of faith and the choices they made, both bad and good. Lot chose the well-watered plain of Jordan and pitched his tent towards Sodom. Moses chose to suffer affliction with the people of God rather than to enjoy the pleasures of sin for a season. Daniel and his friends repeatedly chose to honour the Lord rather than to hide their faith and blend in with the others around them in Babylon.

Each of us makes countless choices and decisions every day – some of these are small and of little consequence, while others have lasting impact on our lives and the lives of those around us. What decisions are we making every day, and how are we ordering our lives to honour Him who gave His very life for us? Are we forsaking Him and choosing “this present world” like Demas did, or have we “chosen that good part” and set ourselves at our Lord’s feet like Mary?

Start reading at the beginning of Matthew.

Instructions

Start reading at the beginning of the book of Matthew. When you find the short phrase for each day, write down the chapter and verse in the blanks provided. The next day, continue reading from where you stopped the day before.

The distance you read to find each entry will vary. On average, it’ll be about 43 verses per day, but it may occasionally be as short as 20, or as long as 69 verses.

When you reach the end of a book, check the next day to see which book you should start reading next. You’ll jump back and forth between the Old and New Testaments, and between history, prophecy, and instruction. By the time you finish the entire booklet, you’ll have read through over half of the Bible... 15,531 verses in all.

This page is just a preview of the first month. Don’t forget to ask us to send you the complete booklet so you can continue with the rest of the year. See the bottom of this page for information on how to contact us.

Important

All verses quoted are from the King James Version (KJV) of the Bible.

Do **not** use a concordance, computer, or anything else to help you find the verses.

Do **not** copy your answers from anyone else.

The purpose of the Scripture Searcher booklet is to help you establish (or maintain) the habit of reading God’s word every day. By quickly looking up the phrases in a concordance or computer, or by copying from someone else, you may cheat your way to a prize – but you’ll also cheat yourself out of the benefits to your own soul.
